

PEER SUPPORT • INSIDER INSIGHTS • DIRECT FEEDBACK
EXPERT ADVICE • QUALITY RELATIONSHIPS

Amplify. Mastermind is the WPEO’s latest program designed for Black Women Entrepreneurs. Business owners are curated into dynamic peer learning groups. Each group will meet regularly for three months to discuss challenges, devise solutions, garner support, and gain strategies and insight for growth.

REQUIREMENTS:

• **Ideal Participants:**

Black woman in business 2-10 years

Gross annual revenue \$5m or less

3-month 6-meeting commitment

• **Participant Costs:** This is a sponsored program

The application process is a very important step to placing you in a group of successful and action-oriented entrepreneurs that will provide you with resources, accountability for your business goals, and access to ideas that can only result from the combined intelligence of a group of people committed to helping you succeed.

The success of the mastermind groups depends on your level of commitment and integrity. Please complete the application as thoroughly and honestly as possible. The information you provide in this application is completely confidential and will be used for acceptance and placement purposes only.

All selected participants must be available to attend bi-weekly sessions beginning in January 2021. Please fill in and submit the application below to [Estefany Herrera](#), Program Manager, WPEO NY or [Elizabeth Reid](#), Certification Manager, WPEO DC.

After the application period ends, selected participants will be contacted via email regarding next steps.
