WOMEN'S BUSINESS ENTERPRISE COUNCIL

**JOIN FORCES. SUCCEED TOGETHER.**

Dear WPEO NY Family,

After 20+ years of being combined and sharing staff and resources, WPEO is officially separating from WPO as of January 1, 2021. In addition to the restructure, both organizations are rebranding, as well as updating services and programming based on new needs in a new world. Although more information will be shared in the new year, we would like to announce our new RPO name and current employee contact information. We are now Women's Business Enterprise Council Metro NY.
